

HOME IMPROVEMENT FINANCING.

Helping you take on
projects big and small.

How we're different.

TIMING

You need the funds to start your project and keep it moving. We offer flexible funding options to prevent it from slowing down.

FLEXIBILITY

Sometimes, the upfront cost of a project can prevent you from moving forward. We're here to help with flexible financing options that allow you to pay for your project over time.

PEACE OF MIND

Our loans don't require a lien, so you can feel at ease about finishing your home project without tying up other assets or cash flow.

Bring your home improvement dreams to life with the help of Slice® by FNBO. We offer simple, flexible financing solutions to suit your project and budget. Our easy, affordable options help you renovate your home and be at home with the costs.

Finance with confidence.
